Dear Mr. Yemm:

I enjoyed talking with you on the telephone together. It has been awhile since we worked on MONDO at the National Building Museum together.

I am glad you are interested in creating a miniature chair for the Chairmania exhibition! As we discussed, the project consists of an exhibition of approximately 250 miniature chairs and a book to be published by Abrams. The exhibition is scheduled to premiere next spring in Los Angeles and the book will be published shortly thereafter. Photography for the book should begin shortly, so it would be wonderful if you could have your chair to us within the next month.

To give you a better idea about what we are looking for, I have attached an info sheet on the Chairmania project. In addition to the info sheet, please keep in mind that your chair should be a simple design, and made of wood. (There are so many options, please pay special attention!) Please note also that, along with your chair, we need a written statement and bio.

Welcome to Chairmania--We are glad you are interested in the project. Please contact me with any questions or concerns.

Best Regards,
CHAIRMANIA

Kevin Murphy
