Steelcase
Design Partnership

October 26, 1990

Greetings!

Mondo Materialis opened on October 15 at New York's Cooper Hewitt Museum to record-breaking crowds and superb... The exhibition looks wonderful, and is on view at the museum. As you know, Harry Abrams Publishing has published a 160-page hardcover book on the show. We and they have offered to process all orders and offer discounts where applicable. I have a special sales department, at extensive... Again, we thank you for your involvement. We will keep you informed of new developments.
