Greetings!

For your reference, I am enclosing a listing of all the manufacturers whose materials are displayed in MONDO MATERIALIS. I hope this will prove a useful resource for you, and please let me know if I can be of more assistance to you.

MONDO will remain at the Cooper Hewitt Museum until February 24, and then will reopen in Washington at the National Building Museum where it will remain from April 26 through September 2.

Once again, we thank you ever so much for being an exciting exhibition.

Yours truly,

Ruth L. Shuman
Project Coordinator
