Dear Mr. Yemm,

We have been making Origins material! We have a picture frame in our Conference on the Environment exhibit. I've also made presentations. The

I have had coordinators in the area. The best from various people at the Marketing Conference you have been contacted by those who a wine producer was excited by the idea of any new developments in your product. If you have a similar exhibit next April, you should be in West Virginia! We would appreciate your assistance in our endeavors.

Yours truly,
Phyllis E. Farley
