RR #1, Box 173
Marquand, MO. 63655-9610

Dear Steve Yemm:

I am sorry it took me so long to get back to you to say thank you for the sheet of diaper board. I hope this experience will help you out as much as it has given to me. The thought that there are new ways on the horizon. It is a new world every day and I am glad to be a part of making it better when I can.

and bolted them together last week. I was optimistic was going to work at first but it was fine.

These pictures of the reels and will keep you informed.

Other employees are also in their area and they are working on them.

14" to 30" reels. When this material is made, it is a fact that it is

uses.

number to be recycled.
