Dear Stephen:

Enclosed please find the line drawing artwork of my chair, along with a description per our discussion. I formatted it on my computer to match your binder format (with a reduced line drawing), although I have the larger artwork. Please give me a call and let me know how you would like me to get you this and any other information. The chair's dimensions are 16" wide x 16" deep x 48" tall; it weighs 21 lbs.

I have coordinated with the person mounting the Limn show, and he knows my piece is coming. Also, the film crew is coming tomorrow! I'll let you know how it goes. Talk to you soon.

Sincerely,

Joel Miroglio
Architect
